

★ Higashi Honganji ★ dharma SCHOOL & sangha teens

Dharma School is for preschool through elementary school children (3-11 years, younger children are welcome accompanied by a responsible adult) and Sangha Teens is for middle school students. Together, we learn about basic Buddhism and Japanese American culture through fun and kid-friendly activities, stories, arts and crafts, games, and occasional special trips throughout the year.

for additional information or questions about Dharma School, please contact:
